• REFERENCES

References

- Should be listed at the end of the text, numbered in order of citation, denoted by [XX] in the text.
- For periodicals they should read: name of author(s), journal, volume number, year of issue (in parentheses), page number.
- For books: name of author(s), title, city and country of origin, year of issue (in parentheses).
- For conference papers: author(s), conference name, paper number, location, and year of event (in parentheses).
- Name of periodic issues should be taped by *Italic fonts*

Photographs

These should be colour or black and white glossy prints. They should be clearly labelled with the author’s name and figure number. A scale, where appropriate, should be marked or indicated in the figure caption.

Offprint

Authors will be sent one reprint of the paper, free of charge; in the case of multi-authored papers reprint will be sent to the first-named author unless specifically requested otherwise.

Authors wishing to submit manuscripts, which may be sent by mail or e-mail, should send them to:
