

CONTENTS

V. Ushkov, O. Figovsky, V. Smirnov Phosphorus-Containing Flame Retardants for Fire-Safe Foamed Polymers	...3
M. Ioelovich Models of Water Vapor Sorption by Hydrophilic Polymers	...11
M. Ioelovich Features of Water Vapor Sorption by Cellulose Materials	...21
E.G. Shakhbazov, N.N. Khalilov Influence of the Effect of "Small Concentration and Excitation" in the Process of Oil Refining	...32
V. Meltser A New Approach to Grain Processing and Storage	...36
M. Barsky Mathematical Model of a Cascade Separator with Two or Several Initial Material Inputs to the Apparatus	...54
S. Konstantinov New Technologies for Particle Accelerators	...62
LETTERS	
S. Konstantinov Kapitza's Pendulum and Chelomey's Paradoxes Violate the Principle of Mass Equivalence	...69
NEWS & EVENTS	
• Prof. Vladimir Volkhin: 90TH birthday	...77
• Memory of Dr. Leonid Shapovalov	...79
• New book: "Silicon Dioxide Nanoparticles" by P.Kudryvtsev. D. Beilin	...81
• ICACCAM 2023: 17 International Conference on Applied Chemistry and Chemistry of Advanced Materials, January 09-10, 2023, in Bali, Indonesia	...82
• ICFMN 2023: 17 International Conference on Functional Materials and Nanoscience, January 09-10, 2023, in Singapore, Singapore	...82
